

Legal English Course for Lawyers in Westend

Participate in our **English Course for Lawyers** to work effectively in an international legal setting.

This course will focus on a variety of legal topics including contracts, company formation, debtor-creditor relationship and intellectual property rights. This course will develop the four key skills of reading, writing, listening and speaking by using authentic texts to present and practice the legal English language.

Who Is The Course for?

This course is for qualified lawyers who have a reasonably confident command of the English language with at least an Intermediate/B-2 level.

Our trainer

Our trainer is a lawyer who is a native English speaker and a TEFL certified language trainer.

Course content

The key language and skills you will learn in the course include, but are not limited to:

- * expansion of legal vocabulary
- * effective oral communication skills for meetings, negotiations, discussions, giving advice, and presenting information
- * effective written communication skills for letters of advice, emails, memorandums, and case briefs.

Typical activities that you will participate in will include, but are not limited to:

- * formal and informal presentations
- * role-playing real-life situations
- * drafting letters, emails, memorandums, and case briefs
- * providing legal advice and giving opinions
- * making presentations
- * practicing small-talk

This is an opportunity to learn Legal English, but it is not a course in law. There are extensive reading materials available if students wish to research particular areas of law on their own time.

The benefits

You can expect to improve your English in the following ways:

- * communicate more confidently
- * speak more accurately and fluently
- * participate more successfully in meetings
- * improve your written English
- * expand your professional vocabulary
- * improve your understanding of grammar
- * socialise and network with greater confidence
- * work successfully in a cross-cultural environment

In addition to the benefits outlined above, this course will enable you to communicate more confidently in legal situations and use specialised legal vocabulary more effectively.
